Emergency Closings

Revised Date:
06/15/06

The Board authorizes the director of schools to close schools in the event of hazardous weather or any other emergency which presents a threat to the safety of students, staff members or school property.¹

As soon as the decision to close schools is made, the director of schools will notify the public media and request that an announcement be made.

If school is not in session or is dismissed early due to snow or inclement weather, all scheduled activities in which students are involved will be at the discretion of the principal(s) and the director.
