Descriptor Term:

Registered Sex Offenders

Descriptor Code:

1.808

Issued Date:

12/04/2008

1 Individuals registered as sex offenders in Tennessee or any other state are prohibited from the
2 premises of any school in this district, except for the limited circumstances stated in this policy.¹

3

4 **EMPLOYMENT**

5

6 An individual listed by the state of Tennessee or any other state as a registered sex offender is
7 ineligible for employment within the school district.

8

9 **PRESENCE ON SCHOOL PROPERTY**

10

11 No registered sex offender, whose victim was a minor, shall come on, about, or within 1,000 feet
12 of a local school's property line except as provided below.² If any employee of the school district
13 becomes aware of any registered sex offender's presence on school property, s/he shall
14 immediately inform the principal, who shall direct the individual to leave the premises
15 immediately. The principal shall request assistance from local law enforcement authorities if
16 offender resists the principal's directives. If the registered sex offender repeats this restriction of
17 coming on to school property, the principal may confer with legal counsel to take appropriate
18 legal action.

19

20 Neither this policy nor state law impose any duty upon a principal or any other employee of the
21 local school district to review the sex offender registry for individuals who may come upon the
22 property.

23

24 **PARENTS WHO ARE REGISTERED SEX OFFENDERS**

25

26 The principal may modify the "Presence on the Property" section of this policy to allow a parent
27 who is a registered sex offender to drop off and pick up his/her child from school and to come
28 onto campus for parent/teacher conferences. The parent, however, may come to the school for
29 the stated business only. Further, when coming in the building, the parent must come to the front
30 office only.

31

32 Principals shall speak with the parent upon learning of their status as a sex offender to
33 communicate the restrictions of this policy and to establish open dialogue with the parent, as
34 much as is possible or reasonable. The principal shall take all appropriate measures to protect the
35 privacy of the sex offender's child.

36

37 Upon request of the parent sex offender, the Director of Schools may waive the
38 premises/presence restrictions of this policy to allow the parent to attend school events under
39 exceptional situations, including, but not necessarily limited to graduation.
