Special Education Students

Revised Date:
10/21/14

A free appropriate public education will be provided to all children eligible for special education services, age 3 through the school year the student turns 22. Special education services will be provided in accordance with the current *Rules, Regulations, and Minimum Standards* of the State Board of Education¹, state law², and federal law³.

The Board assumes that:

1. The rights of students with disabilities and their parents are protected; and
2. Procedural safeguards that are required by law are followed.

In accordance with a student's Individualized Education Program (IEP), exceptions to School Board policies may be made in individual circumstances involving students with disabilities.
