## **Buildings and Grounds Management**

Revised Date:  
**05/03/07**

All school properties shall be maintained in good physical condition: safe, clean, sanitary, and as comfortable and convenient as the facilities will permit or the use requires.

The director of schools will develop and implement a continuing program of maintenance of all district-owned buildings and grounds which shall provide for the following:

1. Adequate custodial programs for all schools;
2. Improvement and maintenance of school buildings and grounds;
3. Repairs, including repairs of equipment, and painting; and
4. Determination of obsolete equipment.

The following are responsibilities of building principals:

1. To oversee the operation of the school plant and require that personnel assigned to the building keep it in a clean, healthful, and pleasant condition;
2. To make continuing checks for hazardous conditions, including safety and operation of equipment, and prevention of hazardous situations caused by carelessness; and
3. To request, on a timely basis, appropriate maintenance and repairs through appropriate channels.
4. To display the United States Flag on every public school campus.
