## Naming New Facilities

Revised Date:  
**12/04/08**

Facilities of Weakley County Schools shall be named through Board action, based upon the following criteria:

1. This honor should be considered only for people who are deceased.
2. A person(s) should be considered only after receiving overwhelming endorsement from a wide cross-section of the community. This endorsement may come from, but is not restricted to, the following sources: city board, Parent-Teacher Organization (PTO), booster club, and/or other appropriate local organizations. There should be no appreciable opposition.
3. A suitable plaque should be prominently displayed in recognition of the person so honored. Appropriate ceremony should accompany this event.
4. A time limit should be set on the duration of the period over which the naming is applicable. After some period of time (20 years, for example), the plaque may be removed and presented, with an appropriate ceremony, to the family of the person honored.
5. Recommendations will be presented to the Weakley County Board of Education. A board committee will review the recommendations and report to the board. The decision of the Weakley County School Board is final.
6. Naming school system facilities for individuals should be a very rare event.
